Experience Certificate

To whom it may concern

This is to certify that **Ms. Taniya Rodde** worked with us in the Software Development department as a "Trainee Java Developer" from January 1, 2022 to June 30, 2022. During her internship, She efficiently handled development assignments on Enterprise Java tools such as Spring Boot, Spring Data JPA, Hibernate ORM and REST API's with Oracle, MySQL & MongoDB cloud databases.

We found her sincere, trustworthy and result oriented. We wish her good luck for her future.

Respectfully yours,
